

Ballymacrickett Primary School and Nursery Unit

OUR VISION

"Happy Together, Learning Forever"

Ballymacrickett Primary School and Nursery Unit promotes learning for life and high achievement by working with children to:

- practise the Catholic faith in their daily lives;
- have high self esteem - respecting themselves, others, our local community and the world around us;
- recognise their talents and acquire the knowledge and skills to be their individual best;
- become happy, enthusiastic, highly motivated life-long learners;
- be able to work independently and collaboratively;
- gain the necessary skills to equip them for our ever changing world.

We believe that each child will succeed through experiencing quality in:

- a Catholic ethos of support and encouragement, where diversity is embraced and success is celebrated;
- a broad and challenging curriculum, ensuring inclusion and equality of opportunity;
- a learning partnership between school, home, parish and the wider community;
- a safe, healthy, stimulating learning environment;
- innovative teaching and an investigative approach to learning;

We demonstrate our commitment to working as a learning community by:

- continually striving for improvement by working together towards common goals.
