

# Parent Information

## 15<sup>th</sup> March 2021

Dear Parent / Guardian

### Update on School Restart

Following confirmation from the Department of Education on Friday 12<sup>th</sup> March, pupils in Nursery, P1, P2 and P3 classes will continue to be provided with full-time face-to-face teaching until the school's planned Easter holidays i.e. Thursday 1<sup>st</sup> April 2021 (12 noon finish).

Children in P4 – P7 classes will continue with remote learning until confirmation is given of their date of return to face-to-face teaching, which we hope will be immediately after the Easter holidays. We will inform you as and when any further information becomes available.

Once again, I would like to assure you of our ongoing commitment to your child's welfare and our appreciation of your continued support.

Yours faithfully

D. Mulholland  
Principal
